## BROCHURE eBook

Freely produced by Artworkz volunteers

This eBook, and all associated downloads, links, maps, photographs, illustrations and all information contained therein are provided in a draft form. They are produced by amateurs and rely on community input for improvement.

All maps are provided as points of reference only and must always be cross-referenced with official maps and documentation before travelling. All maps are not-to-scale.

All GPS coordinates are provided as points of reference only, and must always be cross-referenced with official maps and documentation before travelling. The supplied GPS coordinates must never be solely relied upon.
