

Located 48 km from Cheshunt (4.8 km from Whitfield in the King Valley). The Falls are only viewable from a small section of narrow gravel track. A small carpark area makes stopping possible for up to four vehicles at a time.

There are three Falls dropping from the top of a massive granite Plateau. The main Falls (centre) are the highest single drop waterfall in Victoria and are most impressive after rain. It is recommended that you take a camera with good zoom capabilities for this attraction.

A camping area is located 2 km above the Falls viewing area at Lake Cobbler.

FEATURES

- Beautiful winding track
- The track is of a reasonable condition
- Natural bush setting
- Stunning granite hills
- Abundance of flora and fauna
- The Falls are very photographic
- The width and height of the plateau
- The track mostly follows the lovely river
- The Falls is most Impressive after rain
- 2 km from Lake Cobbler
- Camping is allowed at Lake Cobbler
- Bennies Camping Area (on the way in)

The track is mostly gravel, and sections near the Falls are rough. It is possible to do this trip in a car in summer, though a 4x4 is required in winter due to the track being extremely wet and slippery in areas. Always let someone know of your travel plans.

No camping or pets allowed.
