

Although there are numerous walk options taking in Estate Spur, our recommended walk is a 6 km circuit walk starting at Lakeside Camping Area in Collier Bay (Fraser Block) Lake Eildon National Park. The walk offers superb views, numerous photographic opportunities and lovely Australian bushland abundant in flora and fauna.

From Lakeside follow the vehicle track (*management vehicles and walkers only*) to the south which climbs steeply up to Estate Spur. Then follow the track west along the spur before descending to the Parks Victoria office (via the track down to the north). Once at the main road, return to Lakeside Camping Area via the shared walk/bike path.

The walk takes around two hours at a casual pace and is of hard grade due to the steepness of the climb and decent track sections.

Two undercover Day Visitor Areas with BBQ facilities are located near Lakeside Camping Area (Forsyth and Herb Fitzroy) and camping is available at Lakeside Camp Ground (bookings essential).
